Bemidji State University | Memorial Hall

Dear Potential Sponsor,

We are excited to announce the 4th annual **EdCamp Bemidji** at Bemidji State University on February 11, 2017. This event will bring together nearly 200 of northern Minnesota's most innovative educators for a day of passion-driven learning.

The EdCamp movement was started by educators with the purpose of bringing teachers together to talk about the teaching and learning that takes place in their classrooms. At **EdCamp Bemidji**, every participant is free to facilitate a conversation, offer to teach other participants, or request help with a particular topic or conversation.

When you sponsor **EdCamp Bemidji**, you help the education community in a very direct and visible way. This entire event is run by volunteers and funded by donations. On the next page you will see the levels of support available to you. We invite you to join the fun by sharing your product with those at **EdCamp Bemidji**.

Sincerely,
